Dear Wally: Subject: Future Assignment of [REDACTED]

After you had indicated in a recent telecon that [REDACTED] would be the next GS-9 Radio Operator eligible for promotion, I thought that since he had just lost a close decision to [REDACTED] it might be advisable to encourage his hopes by telling him this and also that there was a possibility he might be assigned to [REDACTED], in the event plans for the transfer of Satellite coverage materialized. None of this, of course, had any certainty of taking place. [REDACTED] nevertheless chose to think that it had and wrote the attached memorandum which he asked me to forward to you. Obviously, he overstated the case in the first paragraph and I have told him so, but I see no harm in letting you have it as written. It indicates his keen interest and desire for advancement, which I hope can be satisfied in due course.
